

**POLICY 2025 – 1 CITY OF LONE TREE
YARD WASTE PICKUP, TREE LIMB PICKUP, LEAF VACUUMING RULES AND REGULATIONS**

Yardwaste (March – November):

Yard waste will be picked up every Monday of the month. Yard waste must be set at the roads' edge (not in the street) by 7a.m. NO ALLEY PICKUP.

1. Must be in a dumpable container that will drain water and 40-gallon maximum capacity.
2. Cannot be more than 40 pounds in each container.
3. Do not place in garbage bags.
4. Must fit in containers used – cannot exceed 1 foot higher than container being used. Example: no wheel barrels to be used as containers.
5. Bundles 4' maximum length bundled with biodegradable materials.
6. Branches cannot exceed 1" in diameter. If it is larger than 1" it must be set out for tree limb pickup on the third Monday of the month.

Tree Limb Pickup (March – November):

Tree Limbs will be picked up every third Monday of the month. Tree Limbs must be set at the roads' edge (not in the street) by 7a.m. NO ALLEY PICKUP.

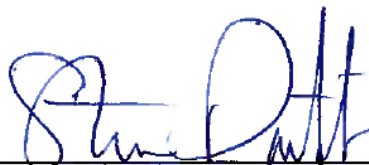

1. Remove side branches larger than ½ inch.
2. Branches cannot exceed 4 inches in diameter.
3. Larger branches and trunks will be the homeowner's responsibility.
4. Each house allowed 2 organized stacks at the yards' edge. The stacks may be no larger than six (6) foot maximum length, three (3) foot maximum pile height, and three (3) foot pile width. Branches going in the same direction.
5. Special arrangements may be made for larger quantities. Contact City Hall for arrangements.

Leaf Pickup:

Leaves will be vacuumed for one week in the spring and on a regular basis in the fall. Dates for these will be posted at City Hall, on electric sign, on website and at the Post Office.

1. Leaves are to be placed at the roads edge (not in the street) by 7a.m. of dates posted.
2. There will be NO ALLEY PICKUP

ALL POLICIES OR PARTS OF POLICIES IN CONFLICT WITH THE PROVISIONS OF THIS POLICY ARE HEREBY REPEALED.
